#### 4 Computerised Financial Management System [ CFMS ]

- 1 Statement of accounts and expenditure generated in CFMS is not in agreement with the financial statements. CFMS needs to be rectified and Statements of accounts generated in CFMS should tally with Financial Statements.
- 2 We suggest the society to maintain manual ledger accounts.
- 3 Annual Financial Statements viz., Balance Sheet, income & Expenditure account, receipts and payments account and Trial balance are not generated by CFMS because the data generated from CFMS are not in agreement with financial statements.

#### 5 Governing Body Meeting

The meeting of the governing body has not been conducted during the year 2015-16. We suggest you to conduct the governing body meeting at regular intervals.

## MANAGEMENT LETTER

The Executive Committee  
Lakshadweep AIDS Control Society  
Kavaratti - 682 555

Dear Sirs,

We have completed the audit of the financial statements of Lakshadweep AIDS control Society for the year ended 31st March 2016. In accordance with our normal practice we would like to draw your attention to certain matters which we identified during our audit of the financial statements of the Society.

### 1 Advances :-

#### Advance to LSBTC ( Lakshadweep State Blood Transmission Council)

During the year 2013-14 an amount of Rs,60,000.00 has been given to LSBTC [Lakshadweep State Blood Transmission Council] as advance. The same is outstanding as on balance sheet date and has been shown under loans and advances.

### 2 TDS (Tax Deducted at Source): -

TDS has to be deducted from the salary to staff

It will be advisable for the society to register it self for Tax Deduction Account Number and deduct tax at source at applicable rates from payments exceeding the limits specified in the income tax act and file the quarterly TDS returns at the earliest.

### 3 Fixed Assets and depreciation: -

#### i] General

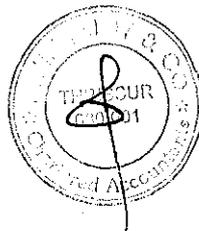

The Fixed Assets reflected in the balance sheet is for Rs.30,24,404.00. Assets which are not in working condition needs to be written off. We suggest to take a physical inventory and valuation of the Fixed Assets and write off Fixed Assets from the books of accounts if necessary.

#### ii] Fixed Assets Register:

The Fixed Asset Register has to be maintained in the prescribed format and updated properly as per the guidelines given by NACO.

#### iii] Physical Verification:

Physical verification of Fixed Assets has to be carried out at regular intervals. As per Guidelines, Society needs to conduct physical verification of Fixed assets annually.
