Sub : Approval of Annual Action Plan for the year 2010-11

Sir/Madam,

Please refer to your letter submitting the draft Annual Action Plan for the year 2010-11 and the discussions with NACO. The Annual Action Plan prepared by your Society has been further scrutinized in NACO and administrative approval for an amount of Rs. 2744.94 lakhs (Rupees Two thousand seven hundred forty four and ninety four lakh only) is hereby accorded as per the following breakup:

Sl. No.	Sub-Component	Total Allocation (Rs. In Lakhs)						
		Pool Fund	GFATM RCC Rd. II	GFATM Rd. VI	GFATM Rd. VII	UNDP	DBS	
I	Prevent New Infections	1582.82	496.12			180.55		2259.49
II	Care Support & Treatment			171.57				171.57
III	Institutional Strengthening	265.47						265.47
IV	Strategic Management Information System					48.41		48.41
Total		1848.29	496.12	171.57		180.55	48.41	2744.94
Grand Total						2744.94		

The above approval is subject to the following conditions:

1. The overall allocation indicated above is subject to the clause that the outstanding cash balance and advance as on 1.4.2010 is part of the approval. In other words, further releases will be made only after deducting the advance and cash available with the state as opening balance.
2. SACS should carry out the activities as shown above without waiting for approvals of executive committee and ratification of executive committee may be obtained.
3. Inordinate delay is observed in placing orders for equipment / supplies. These should be done within a week of receiving approvals of NACO. Procurement of services should be finalized within 2 weeks of sanction.
4. The above figures represent ceilings beyond which expenditure should not be incurred on any activity. Actual fund will, however, be provided by NACO as per availability.
5. The releases to the society would be subject to the rules discussed in the Table 6.2 of the Operational Guidelines for Financial Management. First installment would be a percentage of approved action plan amount less the cash/bank balances available with the SACS.
6. No change in allocation among different components shall be made without NACO's approval. Re-appropriation between activities within a component can be approved at the society level, to meet local needs. This should be informed to NACO well in advance. However, such re-appropriation should not adversely affect the physical targets indicated in the plan.
7. The existing pattern of assistance as approved and conveyed from time to time by NACO should be followed.

8. SACS shall ensure that up to date information of the programme performance is sent through the CMIS package and the accounts are maintained through CPFMS.
9. The funds for SBTC activities will be released by State AIDS Control Societies after ensuring that the Audit statement and Utilization Certificates till 2008-09 for the funds provided by NACO and Provisional Utilization Certificates (based on statement of expenditure for the year 2009-10) have been submitted to NACO and their Annual Plan for 2010-11 has been approved by Governing Body.
10. The minimum quarterly target for expenditure of Pool Funds has been earmarked at 19%, 24%, 24%, and 33% for each quarter. This is as per requirement of the modified cash management system wherein "quarterly targeted budget allocation" is to be maintained. The SACS not able to incur the minimum expenditure as per the fixed targets is likely to have their annual plan reduced and corresponding lesser releases. In case of GFATM funds the quantity of budget will be indicated separately. Reasons for variance shall have to be provided through the CPFMS.
11. Allocation for items of expenditure under GFATM shown is the total and the detailed plan approved, should be followed.
12. The Physical targets as indicated are as per baseline figures reported by SACS and targets from the year 2010-11 agreed with. The targets also correspond to the funds available from the current financial year. Changes if any will be only with concurrence of NACO.
13. Quarterly plans indicating the physical and financial targets against each activity under the approved annual action plan may be submitted by SACS by end of April 2010. This will form the basis of periodic reviews at NACO.
14. Procurement should be strictly as per Government of India and World Bank guidelines, as applicable to the National AIDS Control Project – Phase III for pool funds and as per the Procurement and supply Management Plan for each round of GFATM.
15. No vehicle shall be purchased from NACP funds.
16. Sacs are requested to adhere to the approved Procurement Plan and Training plans meticulously.
17. AP may be revised as per approved targets and allocation and submitted to NACO latest by 15th April 2010. It may be ensured that any support from other agencies, even if it does not have impact is reflected under relevant components. Cross -cutting items e.g. IEC in TI BS etc. may be cross linked.

Yours faithfully,

(Kanwaldeep Singh)
